Dear Sir or Madam

Re: ENDORSEMENT: - **PARTNERSHIP – HOUT BAY/KARLSRUHE**

In Hout Bay you will find the Hout Bay Museum that was established in 1979 to research, preserve and exhibit the cultural, natural and historical heritage of Hout Bay and Llandudno.

It has always been the Mission of the Museum to form partnerships that will strengthen the vision of the Museum. These partnerships we believe should be concrete, lasting and mutually beneficial.

You will always find people in the community who are "BRIDGE BUILDERS". Mr. Rudolf Rieger, currently on the Board of Trustees of the Hout Bay Museum, is such a person. The Museum values his invaluable contributions.

We are not surprised to find Rudolf spearheading this partnership between Hout Bay/Cape Town, South Africa and Karlsruhe, Germany. We may not know much about Karlsruhe but we wish to thank you for releasing this previous citizen to come to Hout bay to start building a bridge from the impoverished side.

This partnership will make a difference in the lives of the previously disadvantaged section of the community in Hout Bay. We therefore have no qualms and therefore pledge my support and endorse this partnership. We wish to recommend no one else but Mr. Rudolf Rieger to be at the helm.

We thank you and assure you that our relationship is held in the highest regard.

Kind Museum regards.
